COLLABORATIVE

MEASURING AND PREVENTING PASTOR ATTRITION: INSIGHTS FROM CURRENT PASTORS

How are pastors doing in terms of their wellbeing? What support mechanisms exist for pastors today? This discussion guide encourages clergy and congregations to reflect on their clergy's well-being and how their organization can better support clergy. Led by Scott McConnell of LifeWay Research, we explore insights that measure and prevent pastor attrition.

How to use this guide

STEP 1 [WATCH RECORDING HERE.](#)

STEP 2 USE THE QUESTIONS THAT FOLLOW AS CONVERSATION STARTERS.

GUIDING QUESTION #1:

- Share about how your organization helps maintain a culture of well-being for those in leadership. Alternatively, if you are a clergy member, share your experiences of protecting your well-being (or lack thereof).

GUIDING QUESTION #2:

- How does your congregation/organization offer support to your pastors? Where do you see the need for improvement? What practices have worked well?
